Opis produktu

Pisaki Zig Art. & Graphic Twin to wodne dwustronne pisaki, w 80 kolorach + blender. Z jednej strony pędzelek, z drugiej cienko pisząca 0.6-cio milimetrowa końcówka. Można przy użyciu pędzelka rysować szybkie i ekspresyjne szkice, rozmyć je wodą przy użyciu pędzla lub pisaka pędzelkowego z wodą, a następnie uzupełnić detale rysunku drugą cieńszą końcówką. Dwie końcówki i wodny tusz sprawiają, że jest to niezwykle uniwersalne narzędzie szczególnie przydatne do pracy w wymagających improwizacji warunkach np. w plenerze czy parku.
